Dear Santa Harney

All I want for Christmas is

..... to save St Luke's Cancer Hospital

I don't want a lot for Christmas
There's just one thing I need
Your decision to save this wonderful hospital
And don't be stopped by greed!

I don't care about the presents
Underneath the Christmas tree
You didn't care about the petition
That landed on your knee

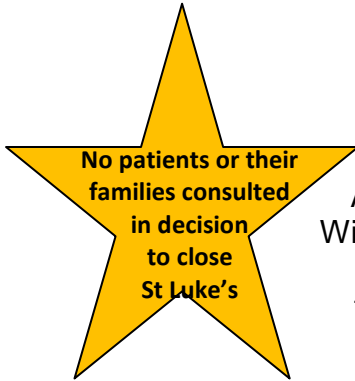

Chorus

All I want for Christmas is for St Luke's to remain
with all it's caring staff in it's wonderful domain
Gee, if you could tear up that Bill,
then it could be a "Merry Christmas" all the same

Santa Claus won't make me happy
With a toy on Christmas day
I just want you to reverse your awful decision
And let the real experts have their say!

I won't ask for much this Christmas
I don't even wish for snow
I'm just gonna keep on hoping and praying
That you'll do the right thing before you go!

Chorus

All I want for Christmas is for St Luke's to remain,
With all its shrubs and flowers in its wonderful domain
Gee, if you would listen to the patients
then it could be a "Merry Christmas" all the same
